Edward J. Radlo, Reg. No. 26,793

Sir:

Pursuant to the provisions of 37 CFR § 1.56 and §1.97-§1.98, Applicants hereby submit patents, publications, and other information enclosed herewith and listed on the enclosed Forms PTO/SB/08 of which they are aware, which they believe may be material to the examination of this application and in respect of which there may be a duty to disclose. This IDS is being filed before the receipt of a first Office Action and after the filing of a Request for Continued Examination under 1.114 that was submitted on October 31, 2007.

A list of the patents, publications, and other information is set forth on the enclosed Forms PTO/SB/08. A copy of each of the listed items is supplied herewith, except for issued United States patents.

All of the listed items emanated from litigation involving commonly owned related patents, and were first communicated to the undersigned in November 2007.

While the references disclosed in this Information Disclosure Statement may be "material" pursuant to 37 CFR § 1.56, submission of this IDS is not intended to constitute an admission that any patent, publication, or other information referred to herein is "prior art" for this invention unless specifically designated as such.

In accordance with 37 CFR § 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR § 1.56(a) exists. It is submitted that this Information Disclosure Statement complies with 37 CFR § 1.98 and MPEP § 609, and the Examiner is respectfully requested to consider the listed references.

Applicants believe that no fee is due. However, the Commissioner is hereby authorized to charge our Deposit Account No. 19-3140 for any fees required in connection with the filing of this Information Disclosure Statement. This sheet is being submitted in duplicate.

Respectfully submitted,

date of signature:
